Jim – Happy Holidays to you, too! I think another face-to-face meeting is a good idea, and I will be in touch after touching base with the team here.

Thanks.

Chris,

Thank you for the letter documenting continued progress on addressing the LAR issues. At this point, we think it would be productive to schedule another face-to-face meeting to check in on the remaining LAR issues and other topics. Particularly, LAR issues 12 & 69 as they relate to an MOA addendum in light of ongoing discussions from the 2017 State Directors meeting.

We propose the following possible meeting dates:

- Preferred: January 30 or February 6
- Alternate: January 29, February 5 or 16.

Let us know if any of those dates work for your staff and you. Also, let us know your preference on location of the meeting.

I hope you are enjoying a splendid holiday season!

Jim

Hello Jim:

Attached please find a letter, dated today, from our Acting Regional Administrator to Secretary Meyer acknowledging the resolution of 15 additional LAR issues, bringing us to a grand total of 56 issues resolved.

We are excited about this continued progress and thank you and your WDNR team for all the effort.

Onward! (And please accept my wishes to you and yours for a restful holiday season.)
